

GOODREADER®

GETTING STARTED

WITH OUR APP YOU CAN

1 READ LARGE PDF FILES

E-books, work documentation, study materials, comic books, bills and invoices

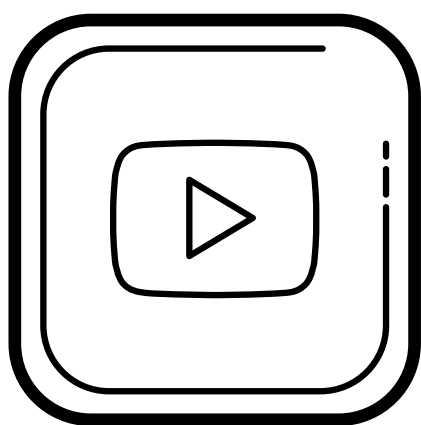

2 EDIT YOUR PDF DOCUMENTS

Highlight, annotate, markup, e-sign, merge, split, append pages, convert to PDF

WITH OUR APP YOU CAN

PLAY AUDIO AND VIDEO

Play music in the background, listen to audiobooks, watch favorite videos

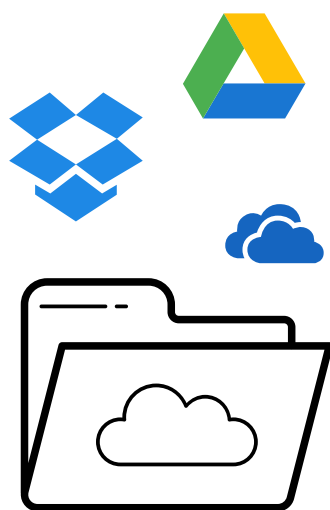

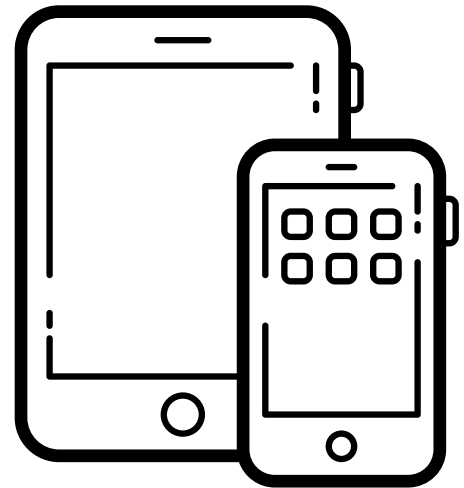

GET FILES FROM ANYWHERE

You can easily view and edit files from other iPhone and iPad apps, including Safari and Mail, with 'Copy to GoodReader' feature

WITH OUR APP YOU CAN

MANAGE YOUR FILES

An excellent built-in file manager. Manage your files like you do on your desktop or laptop

CLOUD SYNC INTEGRATIONS

Dropbox, OneDrive, Google Drive, box.com, SugarSync, and also any WebDAV, AFP, SMB, FTP or SFTP server

ANNOTATE

There are several ways to annotate text in GoodReader – the most convenient ones are Typewriter and Freehand annotation options

Try it here!

1. Tap and hold on the screen

2. Tap a  typewriter button

or choose a freehand tool

HIGHLIGHT

Select the text that you want to highlight. On the popup menu select the Highlight option. The text you selected will be highlighted in the color you chose

Try it here!

SAMPLE TEXT

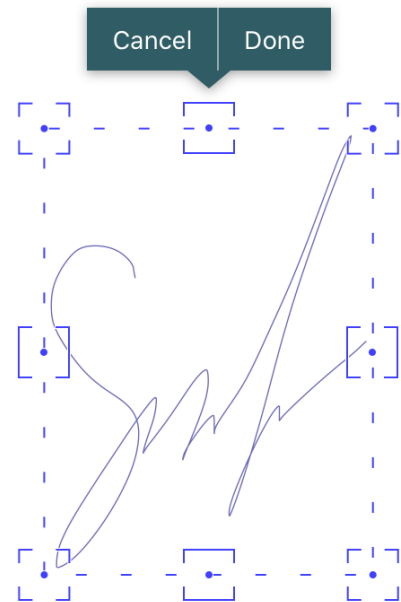

1. Tap and hold on the 'SAMPLE TEXT'

2. Tap a **abc** highlight button

E-SIGN PDFS

To use the signature feature in GoodReader – tap-and-hold on an empty spot on a PDF page where you want to sign. Then select "Sign" from the popup menu.

Use Touch ID to protect signatures from unauthorized use

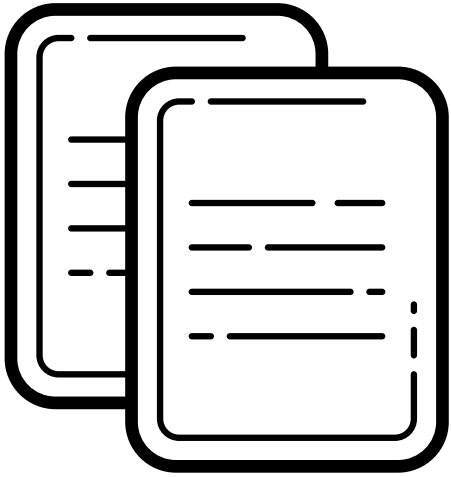

Try it here!

1. Tap and hold on the screen

2. Tap a Sign button

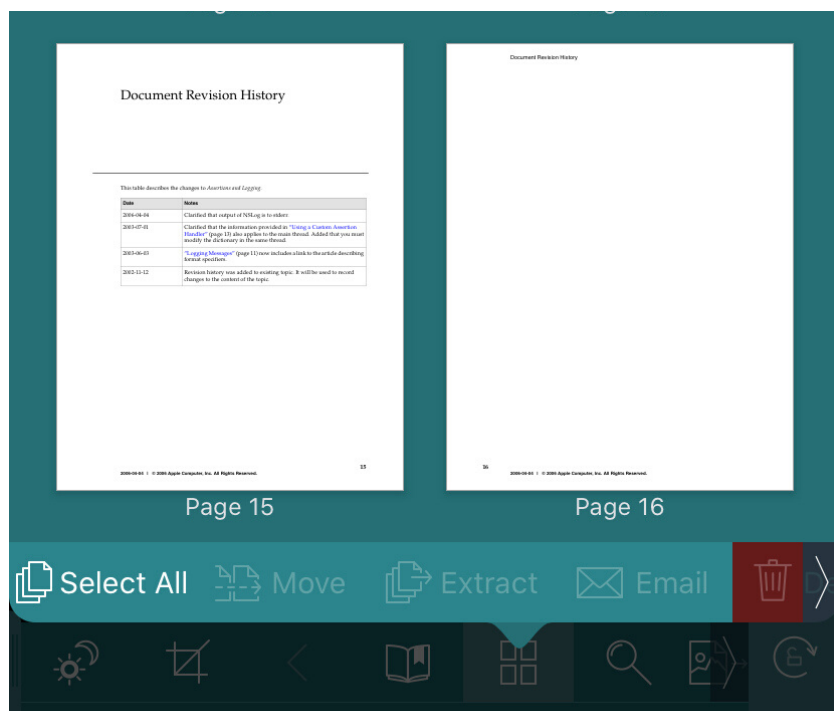

MANAGE PDF PAGES

Press the Pages button to bring up the Page Management window. Insert, delete, rotate and rearrange pages, split and merge PDFs. Extract and email individual pages from a large PDF

Try it now!

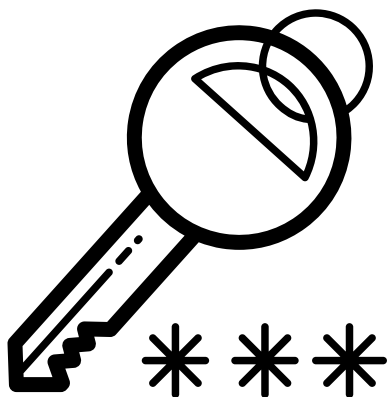

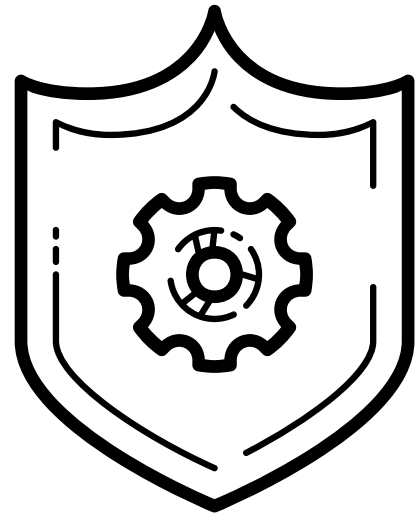

1. Use  Pages button to open a PDF Page Management panel

ADVANCED FEATURES

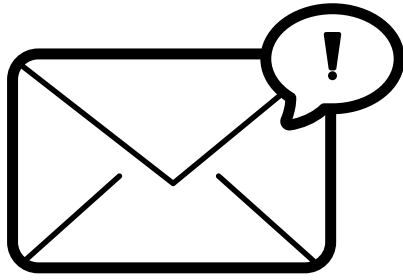

MILITARY-GRADE ENCRYPTION

Data is safe even on a jailbroken phone. Encrypt all your files and folders with military-grade AES-256 encryption

PDF AND ZIP PASSWORDS

GoodReader app offers one of the fastest and easiest ways to password-protect PDF or zip files
